- A Hello.
- B Hi.
- A Do you mind?
- B I'm sorry?
- A I'd like to...
- B You want my seat?
- A Yes, thank you.
- B You want my particular seat?
- A It's where I always sit.
- B What's wrong with that one? Or any of the others?
- A It *is* where I always sit...
- B You really want me to move, don't you.
- A I'd very much appreciate it.
- B But I sat down first.
- A That's a bit immature.
- B I don't know what to say.
